Implementation of a share liquidity contract

A tacitly renewable share liquidity contract, in conformity with the AFEI deontological charter as approved by the decision of the AMF dated March 22, 2005 modified on April 16, 2007, was signed on April 30, 2007 between Thomson and Crédit Agricole Cheuvreux for a period of one year.

€ 25 million was allocated by Thomson to implement the said contract.
