Christophe Colman
THOMSON
Prins Boudewijnlaan 47
Edegem, Antwerpen 2650
BELGIUM

UPnP Forum is pleased to congratulate THOMSON on the certification of the following product per the UPnP device certification standard for Internet Gateway V1.0:

Device Type: **Internet Gateway V1.0**
Device Name: **Thomson Gateway THOMSON TG789vn**
Manufacturer: **THOMSON**
Model Name: **Thomson Gateway TG789vn**
Model Number: **789vn**
Firmware Version#: **R8.4**
Last Firmware Revision Date: **September 25, 2009**
Architecture Version: **1.0**
UID#: **UIC2009133DVC67386**

The test log from THOMSON's Thomson Gateway THOMSON TG789vn has been reviewed by UPnP Forum and has indicated a 'pass' of the UPnP device certification test. Therefore, UPnP Forum is licensing to you the use of the UPnP certification mark according to the UPnP Forum Membership Agreement and Implementer Membership Addendum. A formal Certificate of Conformity will be sent to you.

The certification mark may only be used on the product listed above, and only in accordance with the UPnP Forum Logo Usage Guidelines, UPnP Forum Membership Agreement and Implementer Membership Addendum. The Logo Usage Guidelines can be found in the member section of the website at:

http://www.upnp-ic.org/members/UPnP_Forum_Logo_Usage_Guidelines_FAQs.pdf.

Should you have any questions pertaining to the mark and its usage, please do not hesitate to contact the UPnP Forum office at +1.503.619.5223 or upnpadmin@forum.upnp.org.

Again, congratulations on the certification of the Thomson Gateway THOMSON TG789vn. Your company is clear proof that UPnP Forum and its members are making home networking and the connected home experience easier and more compelling to users.

Sincerely,

A handwritten signature in black ink that reads "Aja Murray".

Aja Murray
